believe

Do you **believe** in fairies?

They usually live at the bottom of your garden.

- Not many people can spell this word correctly. They get the middle bit wrong.
- Look and you will see why.

This is the problem.
You can only hear the *eee* sound.
You have to remember that this sound looks like this: *ie*.

- Look at these other words which have the same rule:

bel**ieve** th**ief** p**ie**ce f**ie**ld p**ri**est mis**chie**f ch**ief**
