

Mad Word Pictures

Colour in:

handkerchief

When we have a cold we need a handkerchief.

What would we do without one!

This lucky boy has one.

This is a tricky word to learn but easy if we split it up into three parts.

Colour in each part in the colour shown:

hand ker chief

Notice the ie rule

Don't forget the letter k

Look at these other words which have the same rule:

chief believe thief piece field priest mischief handkerchief

Learn them on the lines below using the Look Cover Write method:

- I can spell handkerchief too!
